

Is Our Relationship Over or Can We Fix It? (Fix Your Relationship Book 1)

This is a single serving from the book *Reclaim Your Love* by Cara Stein, for those who only need specific information. If you want the full book, you can get it here:

<http://www.amazon.com/Reclaim-Your-Love-Relationship-ebook/dp/B007B6X8GY/>
When your relationship is great, its obvious that you want to stay together. Its the times when its so-so (or worse!) that leave you to wonder and doubt. Will it ever be great again, like it was in the beginning? Or are you doomed to choose between settling and splitting up? You know your relationship could be better. But is it likely to get better? Is it worth putting in the effort to try? This book will help you decide. It will guide you through the process of evaluating your relationship. Youll learn: * which relationship problems are fatal and which ones you can turn around* how to tell whether theres hope for your relationship* the four behaviors that spell certain death for a relationship--and how to avoid them* what to do about your differences if you want to stay together Dont waste any more time with one foot out the door of your relationship. Whether the answer is to start fixing your relationship or to stop wasting energy on something thats not right for you, this book can help you make the right decision. Approximately 3400 words.
