

Captain America Premiere HC: Chosen - Direct Market Edition

Marvel brings you a groundbreaking new vision of Captain America as you've never seen him, in this six-issue Marvel Knights mini-series in the vein of SPIDER-MAN: REIGN and SILVER SURFER: REQUIEM. Steeped in the life-or-death tension of insurrectionist combat, is the young Marine Corporal James Newsom really fighting side by side with Captain America, or is it all in his mind? And is Cap actually...dying? Collecting CAPTAIN AMERICA: THE CHOSEN #1-6, plus the script to issue #1 and an introduction by David Morrell.
