

Dear Mom: The Epistle From The Pit

In this true story a tormented son,, in a letter to his mother, reveals the tortures and torments of his life as a schizophrenic; a life lived on the streets and shabby boarding houses; a life in which he might find himself in Chicago one day and in Denver another - far from his home in Lima, Ohio. Anyone who has an interest in the struggles of the mentally ill will find this book both captivating and enlightening. A MUST READ FOR MENTAL HEALTH PROFESSIONALS!
