

Gunfire #0

Gunfire's cyberpunk odyssey takes a terrifying turn when Andrew Van Horn learns the shocking truth about his father's legacy. The munitions empire of Van Horn Industries is revealed to be little more than an elaborate cover for the elder Van Horn's dark quest for immortality. Gunfire uncovers shocking experiments in bio-augmentation, regeneration and cloning...new weapons Gunther planned to use to dominate the world. Written by Len Wein, with art by Ed Benes and Brian Garvey. New Format. Cover price \$1.95.
