

# Demon Queen: Demon Kingdom Fairy Tales Book Three (Volume 3)

Adriana once again finds herself on the verge of another coronation, but this time as Sebastian Dalmans demon queen. Disguised as her protector for five years, he had guarded her closely as the head of her guard while keeping his identity hidden from everyone, including her. Now, Sebastian has claimed back what was rightfully his, the demon scepter and his betrothed Adriana. But in a land of demons, secrets dwell deep and they have a nasty habit of revealing themselves.
