

Marriage: The Before and After Box Set: Before the Altar and Making Love in the Microwave

Get ready for a good marriage AND have the perfect resource in hand for after your walk down the aisle with two marriage resources in one with the Before the Altar and Making Love in the Microwave box set. In Before The Altar: 150 Questions Every Engaged Couple Needs to Ask, author and marriage educator Aja Dorsey Jackson guides engaged couples to start marriage off on the right foot. Through multiple questions sections, Before the Altar identifies common conflict areas in marriage, and pinpoints the most important questions couples need to ask before they walk down the aisle. With a wrap up activity at the end of each section and free workbook, Before the Altar is designed for couples of all backgrounds to not only ask the hard questions, but to use the information learned to give their marriage the best possible outcome Making Love in the Microwave, A Busy Couples Guide to a Great Marriage, helps busy couples begin to take the practical steps toward maintaining a connection to one another in spite of hectic schedules, child rearing, jobs, finances and the constant forces that pull on a couples quality time and can threaten to pull marriages apart. From date night ideas to spiritual devotion, Making Love in the Microwave offers more than 100 activities that you can do in 15 minutes or less to begin making the small changes that make a big difference in your relationship. After reading this book, you will know how to: Manage your time to have 15 minutes for each other daily Use the more than 100 ideas included on how to use that time Know what makes a good marriage habit Know how to develop those habits in practical ways Begin establishing good marriage habits to stick to for life.
