

Mastering Your Destiny: Knowing What You Must Know To Become the Best You Can Be

You Are Destined to Succeed! You are given one life and one destiny and in the brief passage between your arrival and your departure, you must do all that you are assigned to do. You are destined to succeed, not to fail; you are fashioned to be victorious, not to die in defeat. The gap between Gods intention and Gods reality is where man must take responsibility for his own free will, and create a worthwhile life. Bridging this gap requires work, determination, persistence, and perseverance, guided by knowledge, wisdom, and understanding. Your life will not be given to you on a silver platter. You must stretch beyond your limits to take hold of your God-ordained destiny. There are choices to make, mountains to climb, and rivers to cross. Mastering Your Destiny prepares and equips you to maximize your life experiences and become the best you are destined to be. Regardless of who you are or where you have come from, you will be enlightened, encouraged, and inspired to go beyond your limitations to fulfill your God-ordained calling in life.
