

## Pansy and the Promise

A spiritual awakening happens to ten-year-old Pansy Hunt when her parents launch out on a covered wagon adventure from Lincoln, New Mexico, to Galveston Island, Texas, in the year 1900. Along the trail, Papa shares campfire stories with Pansy about her unique family history. Stories like Pansy's great-great-grandmother, who is captured and raised by a warring Indian tribe, only to be rescued seven years later by a brave Indian scout. Stories that teach her about trusting God in the most impossible circumstances imaginable. These tales combine with real adventures along the trail to develop Pansy's spiritual understanding that God promises He will never leave us nor forsake us. Letters and photos at the end of the book reveal that these adventures are drawn from the true life and family history of Pansy Virginia Hunt Rule. Pansy and the Promise is written for young minds to easily grasp the concept of God's grace, mercy, and strength in a story of adventure, mystery, and intrigue. Pansy and the Promise
