

Minecraft: Return of the Minecraft Nether Dragon (Minecraft Adventure Comic Book 9)

In this new adventure, the three friends Herobrine, Jack and Aella are on their way back home from the Nether. But they suffer an unexpected setback as their portal is broken and they find themselves trapped in the Nether, with no apparent way to get home. Things go from bad to worse as they find themselves fighting for survival not only against ghastrs, but are also confronted once again by the fiendish and evil Hell Dude. Again, they come face to face with the bone chilling and vicious Nether Dragon. This time they must settle the score for once and for all
