

An Enlightened Cheerleader: Volume 1: A Journey to Self-Mastery

BE YOUR OWN PERSONAL CHEERLEADER! Don't we all wish for someone to be a part of our daily lives who is uncritical and enthusiastic, filled with unconditional love, support and unwavering belief in our talents and abilities. This someone would fully understand us and want only for us to reach our dreams of winning in this Game of Life. In *An Enlightened Cheerleader: Volume 1*, Wynne Lacey provides in-depth advice on how to connect to your own personal, inner cheerleader and also how to align with the Universe's unconditional encouragement that we are all meant to receive. Wynne also covers how to: - Give yourself permission to be happy, even if it means taking a different road than what is socially accepted. - Find out how your brain doesn't always want you to be happy and what you can do to change your thinking. - Discover the laws of the universe that support you reaching your highest potential and how we are all meant to be our own personal cheerleaders. Wynne Lacey's personal experiences as a professional sports dancer, director of dance teams, and certified life coach gives her a unique insight into the external appearance-driven world of professional cheerleading. Her tireless research and personal soul-searching has helped her to create and present a simple Life Formula that will put you on the path to self-understanding and ultimately to self-mastery.
